

Pre-Booking Conditions

When making your booking please advise me of any health conditions and all medications you are taking.

This can be done by completing the pre-treatment form (to be found in the footer) and by emailing it to me once you have a booking confirmed.

Please note for certain medical conditions I will require written permission from your doctor to proceed.

Star Treatment by Em cannot be held liable in any way if incorrect information has been supplied.

It should be understood that no guarantee is provided as to the level of results for an individual by the treatments referred to on this website.

If you need to cancel or change an appointment, I ask that you provide me with 24hours notice and I reserve the right to apply a cancellation charge, up to the value of the treatment booked, in the event of repeated no notice cancellations or non-attendance of appointments.
